

Questions about your HMH program?

What is the best way to use the videos and technology resources in my program?

Are there specific resources in my program to support my intervention and enrichment students?

What are some best teaching practices for using my program's assessment options?

You could **go fish** for answers...

When implementing your HMH® program, questions will arise about instruction, pedagogy, and best practices for implementation. **AskHMH™** provides access to program experts who can answer these questions.

or you could go straight to the source.

askHMH™
advice ▶ support ▶ knowledge

AskHMH provides the support you need for the questions that arise each day when using your program. Questions submitted through our online system will be answered by program experts within one business day. You can also request to schedule a phone or web conference. If an inquiry requires additional response time, you will be notified by an **AskHMH** Specialist.

AskHMH Subscription Models are Designed to Meet Your Needs

Administrators can purchase a subscription to connect teachers to a program expert. Our **AskHMH** Specialists are easily accessible and provide personalized support within one business day of an inquiry for programs in their area of expertise.

Purchase a one year school subscription (25 Users) for \$2,250 or a one year individual subscription for \$199*.

*Prices subject to change.
